

Welcome to the 2022 EDGE year! We can't wait to get into a new year of fun, new friendships, and opportunities to grow alongside one another as we discover what it means to be a disciple of Jesus. Most EDGE nights are scheduled to take place **in person** but are subject to change depending on the current COVID-19 restrictions in place. Families will be notified on the week of the event if we will be having an online night instead. We thank you in advance for your understanding!
